

Listello

The B.A.T. Listello Trim has been designed much like the Border Trim – to allow a break in continuous rows of wall tiling.

The Listello Trim differs from the Border Trim because it has been designed without the standard fixing wings, and has a décor line running down the centre of the trim to give it a more aesthetically appealing appearance.

Listello can be used as a horizontal or vertical decoration.

The B.A.T. Listello Trim is available in the colours listed below.
