

Top Trim

In many new or existing tile installations the tiling stopped at a certain level because the specifier or homeowner did not wish to tile from floor to ceiling.

After finishing tiling to a bare wall, a common practice has / had been to "cap" the tile off with an angled grout joint that remained exposed, or was painted the same colour as the wall to match existing décor. No consideration was given to making the finished tile edge a feature. Use of a trim creates a neat aesthetic and provides a surface that is easy to clean.

The B.A.T. Top Trim was designed with this in mind. Coming in 3 different sizes as listed, the Top Trim allows for tiles of most thicknesses to be finished off with a concave finish that not only can hide an unsightly cut, but also aid in creating an area that can be cleaned by simply running a dish cloth along the concaved surface, as opposed to trying to clean a painted area with a wet cloth, which can prove to be a difficult task.

Top Trim - Available in 3m lengths

B.A.T. Code:	A (mm)	B (mm)	C (mm)	D (mm)
BTT-6-3-	35.00	6.50	22.00	1.20
BTT-8-3-	35.00	8.50	22.00	1.20
BTT-10-3-	35.00	10.50	22.00	1.20

Available in the following Anodised Colours:

BG - Bright Gold, BS - Bright Silver, MS - Matt Silver.
Other colours available on request.

Available in the Following Powdercoated Colours:

AI - Almond Ivory, AP - APO Grey, BK - Gloss Black, WH - Pearl White.
Other colours available on request.
