

Technical Information

Product Description: BATSEAL Stone is a premium quality, ready-for-use, one-component silicone sealant which reacts with atmospheric moisture at room temperature to form an elastic rubberlike seal.

Typical Applications: Sealing of natural/artificial stone joints in bathrooms, connecting joints, shower cabinets, wash basins, floor joints etc.

Properties: BATSEAL Stone does not cause bleeding/staining in contact with stones. It is neutral curing, resistant to weathering, ageing and UV-radiation, fungicidal, bactericidal, resistant to water. rub resistant and has optimum skin formation time. Incorporated fungicide agents help prevent surface mildew.

Application: Adhesion surfaces must be clean, dry, sound and free from dust and release agents. Do not use primer on glass or glazed surfaces. Use primer BATSEAL Prime SC for porous surfaces. Please refer to BATSEAL Prime chart for recommended surface preparation.

Cure System:	Neutral	
Density:	Approx. 1.03 g/cm ³	DIN EN ISO 10563
Application Temperature:	+5°C to +40°C	
Service Temperature:	-60°C to +150°C	DIN 52455-4
Hardness Shore A	Approx. 24	DIN 53505
Modulus at 100% Extension	0.4 N/mm ²	DIN EN 28339
Elastic Recovery	Approx. 100%	DIN EN 27389
Movement Accommodation	25%	
Viscosity	Non sagging	DIN EN 27390
Skin Formation Time	15 to 30 minutes	
Cure Rate	Approx. 2 mm/24 hr	
Ignition point	Approx. 450°	DIN 51794
Safety Labeling	Not Required	
Standard Colours	See BATSEAL Stone colour chart.	
Packaging	310ml plastic cartridges, 20 cartridges per carton.	
Storage	Store in cool and dry conditions in original packaging. Shelf life: 12 months	

Precautions Keep away from children. Avoid skin and eye contact. After contact with skin or eyes rinse immediately with plenty of water and seek medical advise. Ensure adequate ventilation. When used properly the cured product is physiologically harmless. Users are themselves responsible for ensuring the suitability of the product for the purpose intended, liability on the part of B.A.T. Trims Pty Ltd being limited to the purchase price of the material. B.A.T. Trims cannot accept liability for damage, in particular that caused by the use of the product or its unsuitability, nor can B.A.T. Trims accept responsibility for unauthorized recommendations or guarantees which deviate from or exceed the specifications given in this product data sheet.

Manufactured in Germany exclusively for B.A.T. Trims
